

Salmi nella Divina Commedia - Dante has paid particular attention to the *Psalms*, the “prayer book” of the *Bible*, among the most popular of the Old Testament, and in fact in his works and in particular in the *Divine Comedy* there are many references to them. The study of Cardinal Ravasi reconstructs those references as proofs of the faith of Dante.

Gianfranco Ravasi - Bible scholar, Theologian, President of the Pontifical Council for Culture and of the House of Dante in Rome, is a great exegete of the Bible and a refined editor of *Psalms*.
