

## *The democracy of the 'merit'*

It's not written anywhere that a minority, although composed of the best individuals, can attribute to itself what the democracy claims for all: the freedom, dignity, education, employment, access to the offices. In too many cases the meritocracy of the rich prefers not to see what might be the merit of the many.

**Giuseppe Tognon** is Professor of History of Education at the LUMSA University of Rome. He is president of the "Alcide De Gasperi" foundation.

pp. 120 | € 8,90

*New books by great authors of our time, on subjects, figures, moments and aspects of the culture and history*

*Series directed by Enrico Malato*
